Our Journey :

Parshvi Technology India Pvt Ltd, a leading player in the instrumentation solutions industry. Founded in 2011, we have been dedicated to providing top-notch services and products in the field of industrial instrumentation. Before 2018, we operated as a proprietor firm under the name Parshvi Technology, and since then, we have continued to evolve and expand our services.

Our Expertise :

At Parshvi Technology India Pvt. Ltd., We specialize in offering comprehensive instrumentation solutions tailored to the unique needs of various process industries. Our wide-ranging expertise covers a multitude of parameters essential for efficient industrial operations, including :

1. Temperature :

We provide cutting-edge temperature measurement & control solutions to ensure optimal process conditions.

2. Pressure :

Our instrumentation solutions help monitor and regulate pressure levels, ensuring safety & efficiency.

3. Level :

Precise level measurement solutions to manage material levels in tanks and vessels.

4. Flow :

Accurate flow measurement solutions for the efficient movement of liquids and gases.

5. Liquids & Gas Analysis :

Our advanced analysis systems enable thorough scrutiny of liquid and gas compositions.

6. Humidity :

We offer humidity monitoring solutions critical for processes where moisture control is paramount.

7. Monitor, Control, Recorder :

Our integrated systems allow real-time monitoring, precise control, and data recording for analysis & compliance.

8. Vibration :

Vibration analysis and control systems to maintain machinery health and prevent equipment failures.

9. Automation :

Our automation solutions enhance process efficiency and reduce human intervention.

Why Choose Parshvi Technology India Pvt Ltd?

Expertise :

With over a decade of experience, our team boasts deep expertise in industrial instrumentation.

Custom Solutions :

We understand that every industry has unique requirements. We work closely with our clients to develop custom solutions that meet their specific needs.

Cutting-Edge Technology : We stay up-to-date with the latest technological advancements to offer the most innovative solutions.

Reliability : Our commitment to quality ensures that our instruments are reliable and durable, minimizing downtime and maintenance costs.

Customer Support :

Our customer support team is always ready to assist you, from installation to troubleshooting & beyond.

Parshvi Technology India Pvt Ltd is more than just a service provider; we're a partner in your success. Our dedication to excellence and innovation has made us a trusted name in the industry
