

WELCOME TO

PARSHVI TECHNOLOGY (INDIA) PVT. LTD.

PRODUCT PROFILE

 info@parshvitechnology.com  www.parshvitechnology.com

Pressure Switch

Pressure / Level Transmitter

Liquid Differential Pressure Transmitter

Air Differential Pressure Switch

Air Differential Pressure Transmitter

Air Differential Pressure Transmitter

Air Flow & Velocity Transmitter

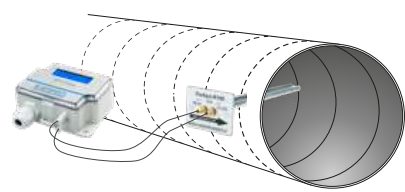

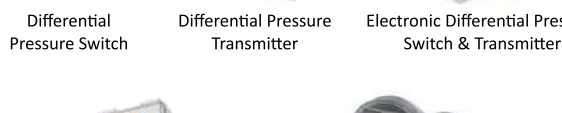

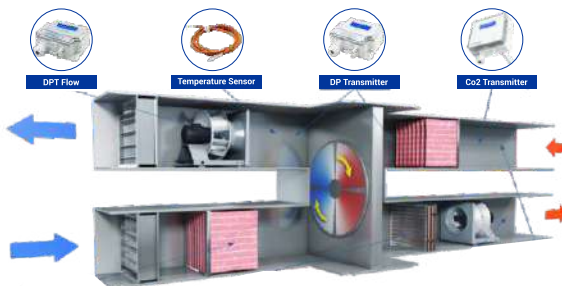

Air Differential Pressure Controller

Draht Pressure Transmitter

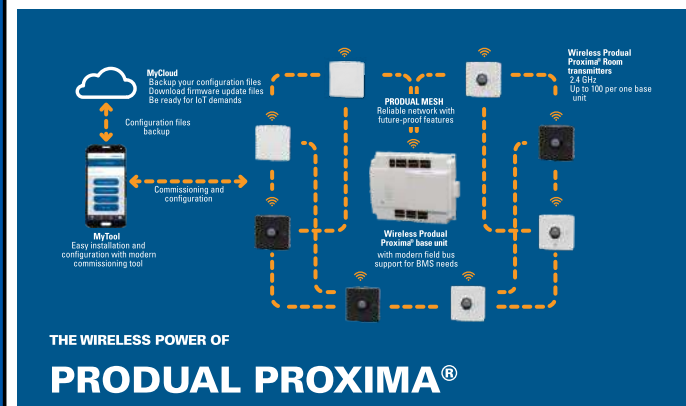

HK INSTRUMENTS

USER-FRIENDLY MEASURING DEVICES

Flow Measurement in Duct

PRODUAL

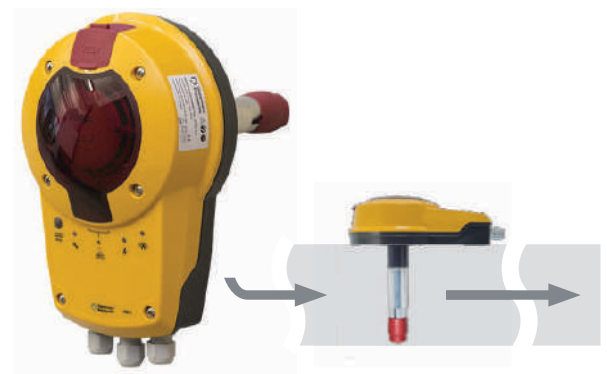

THE WIRELESS POWER OF
PRODUAL PROXIMA®

Indoor Wireless monitoring system (Temp., rH, CO₂)

Room Transmitter (Temp., rH, VOC, CO₂)

Duct Smoke Detector

halstrup walcher

Mass Air Flow Meter

High Precision Differential Pressure Transmitter

Differential Pressure Transmitter

Digital Portable Manometer / Air Velocity Meter

Very Low Pressure Controller

Integrated Stepper Motor

CALEX ELECTRONICS LIMITED

Infrared Temperature Sensor (Pyrometer)

Infrared Temperature Sensor - Autocoater

Busbar Temperature Monitoring in Switchgear Cabinets

Non-Contact (IR / Pyrometer) Temperature Measurement Solutions

Ex

Portable Temperature Data Logger

Portable Thermocouple Simulator

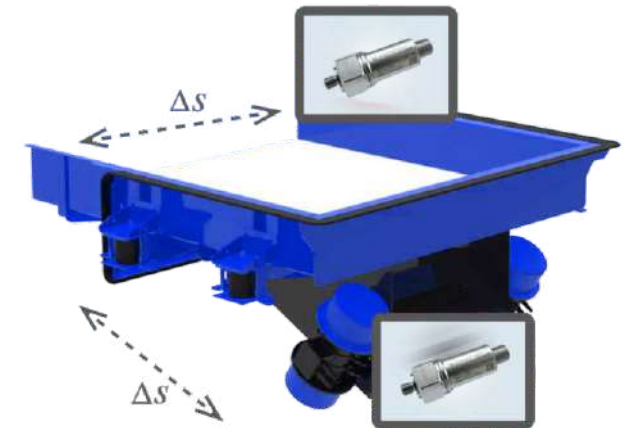

HAUBER ELEKTRONIK

Vibration Sensor

Portable Vibration Meter

Vibration Screen Stroke Monitoring

Smart Vibration Sensors (IO-Link)

Turbidity Sensor

Turbidity Sensor for Water Engineering
(Range: 0...10 NTU) With high Resolution

Cell Growth & Biomass Sensor

Automatic Retractable Holder for pH / DO Sensor

Temperature Probe

Level Switch

Guidedwave Radar Level Transmitter

Level Transmitter

Conductivity Sensors

TDS Meter

Inline Process Refractometer

Inline Liquid Concentration Monitor

Area of uses industries :

- Pharma & Biotech
- Chemical
- Pulp & Paper
- Dairy, Food & Beverage
- Sugar

Vibrating Fork Level Switch - Liquid & Solid

RF Admittance Level Switch

Conductivity Level Switch

Capacitance Level Switch

Hydrostatic Continuous Level Transmitter

Capacitance Level Transmitter

Indicator Display

Radar Level Transmitter

Ultrasonic Level Transmitter

Hygienic Pressure Transmitter

Smart Pressure & Differential Pressure Transmitter

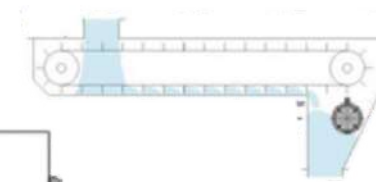

Membrane / Boot / Chute Jam Level Switch

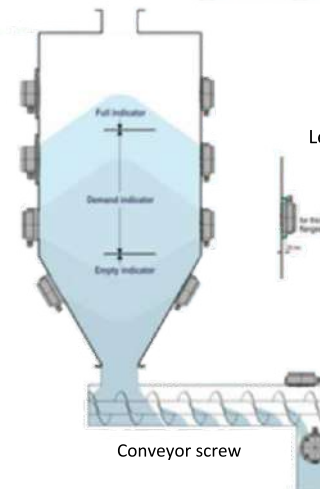

Pendulum Level Indicators

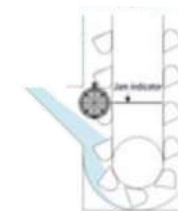

Silos and container

Level indicators for bulk solids

Conveyor screw

pH / ORP Electrode

Zirkon ph and Redox (ORP) Wide Body

Water & Waste Water Engineering Solutions

Single Channel pH / ORP - Conductivity Control Unit

Double Channel pH / ORP Conductivity Control Unit

Multi Channel DO / Turbidity Transmitter

pH & ORP Electrodes

Conductive Measuring Sensors

Digital Dissolved Oxygen Sensor Waste Water

Digital Turbidity Sensor for Water treatment

Free Chlorine Sensor

Probe Holder

Shinko

Digital Process Indicator

Temperature and Humidity Transmitter (Dry Bulb/Wet bulb)

Digital Indicating Controller

Profile Converter

Digital Process Controller

Universal Signal Isolator

Modular Controllers

Bargraph Indicator Flow Totalizer

Digital Counter Tachometer

Strain-gauge (Load Cell) Indicator

Temperature Transmitter

Remote I/O Module

PLC & HMI

Protocol Converter

Programming Controller

PID Controller

Digital Temperature Switch

Digital Electronic Pressure Switch & Transmitter

NTC Thermistor

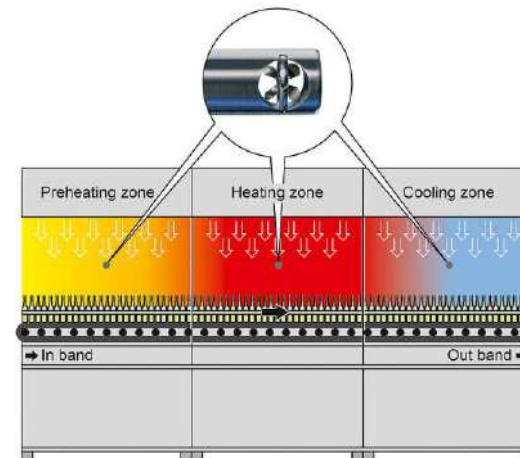

Carbon Prob for furnaces

Oxygen Sensor Probe Converter

VHP (H₂O₂) Compatible Vane Wheel Flow Sensor

Air Velocity Sensor for Sterilization Tunnel

Höntzsch – flow measuring technology
 • Vortex sensor • Thermal flow sensor • Vane wheel sensor
